

California Candidate Scorecard
PRIMARY ELECTION NOVEMBER 8, 2016

Grades are based on a comprehensive questionnaire which was sent to each (non-incumbent) candidate that was certified by the Secretary of State. Incumbents are graded exclusively on their voting records. DNR indicates that a candidate did not respond to our questionnaire regarding their opinions on the importance of the 2nd Amendment. Incumbents are noted with an *. Those with a ** indicate an incumbent Assemblymember who is running for the Senate. Candidates noted in RED have been endorsed by Gun Owners of CA Campaign Committee.

A+ = Author of pro-gun legislation

F- = Author of anti-gun legislation
